

How to Process Multiple Resumes on QualifyMe.ai

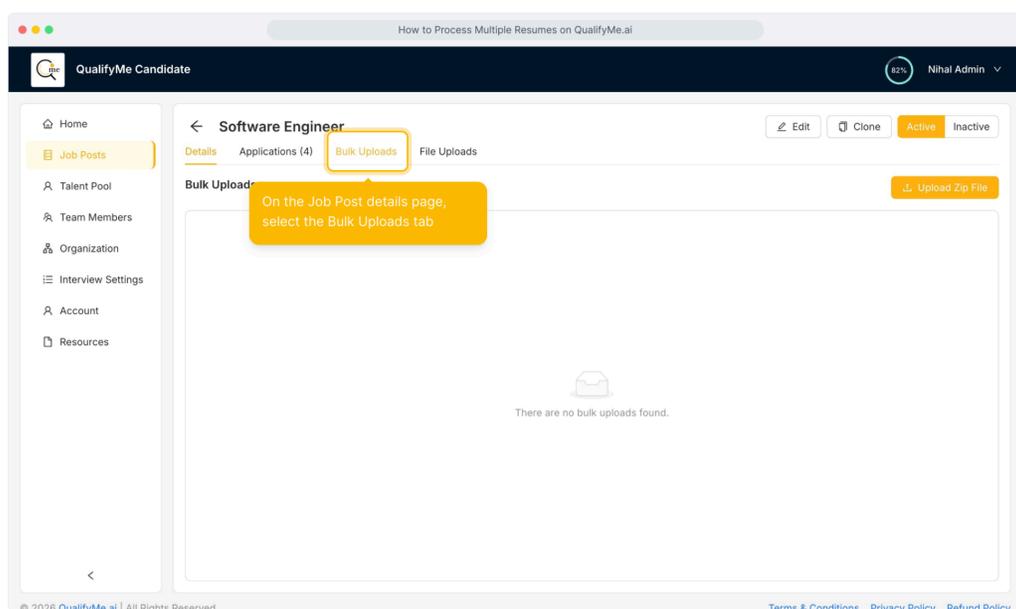

1. From the QualifyMe console, click the Job Posts tab

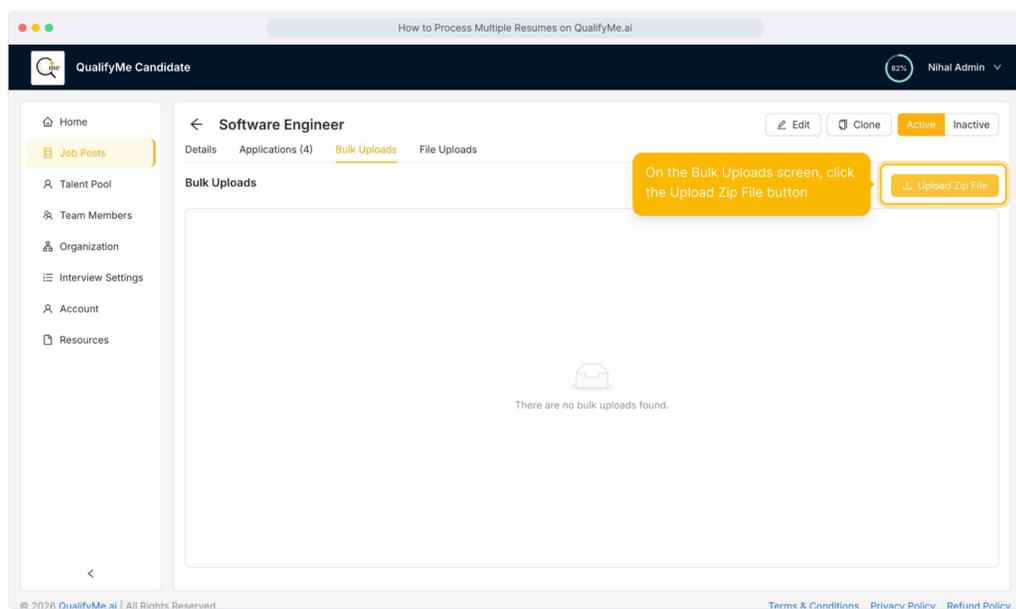

2. From the Job Posts list, click the desired job post

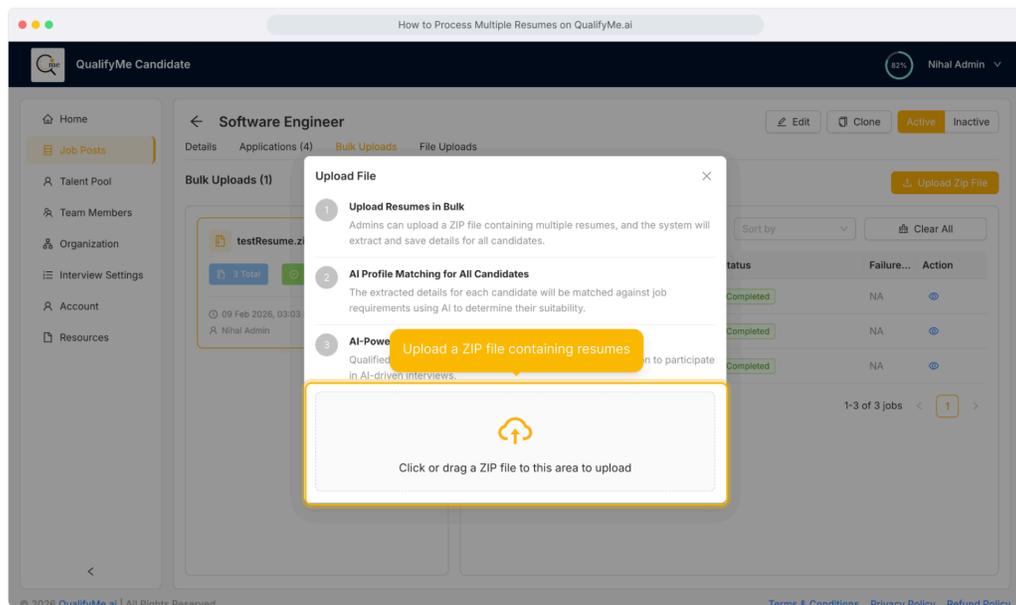

3. On the Job Post details page, select the Bulk Uploads tab

4. On the Bulk Uploads screen, click the Upload Zip File button

5. Upload a ZIP file containing resumes

6. That's all. Resumes will process automatically, and completed files will appear in the list
